

NANION TECHNOLOGIES INC.

Nanion's Solutions for Screening Ion Channels, Transporters and Cardiomyocytes

PRESENTED BY: JAMES COSTANTIN, PH.D.,
DIRECTOR OF CUSTOMER RELATIONS, NANION TECHNOLOGIES INC.

The talk will focus on Nanion automated planar patch systems, mainly the SyncroPatch 384i. It will also briefly introduce other planar patch systems and instrumentation Nanion makes for electrophysiology studies.

OCTOBER 28, 2019, 11:00 AM to 12:30 PM

TELEMEDICINE THEATER B001

HOST: FRANCESCO TOMBOLA, PH.D.
