

**Department of Physiology & Biophysics**  
**Faculty Recruitment Seminar Series**

Presents

**Philip Kiser, Pharm.D., Ph.D.**

*Assistant Professor*

*Department of Pharmacology*

*Case Western Reserve University in Cleveland,  
Ohio*

***“Retinoid isomerase inhibitors: Catalytic mechanism to  
visual cycle physiology and therapeutics”***

*Monday, May 7<sup>th</sup>, 2018  
11:00 am*

*Medical Education Building, Telemedicine Theater, B001*

**Host: Rongsheng Jin, Ph.D.**

For more information or if you would like to schedule a meeting with the speaker, please contact the Department of Physiology & Biophysics at (949)824-5865.
